About Noah Holdings Limited:

Noah Holdings Limited is China's leading wealth and asset management service provider, focusing on global wealth investment and asset allocation services for high net worth individuals and enterprises in China. Since its founding in 2005, Noah has built an end-to-end, comprehensive financial platform for its client base on a highly client-centric open architecture model. It has won multiple industry awards for innovation and business model potential. Based on 10 years of experience in investments in China, Noah has instituted rigorous product manufacturing and selection processes supported by an experienced risk management team. Noah currently distributes wealth management products, including fixed income products, private equity funds, private securities investment fund products, mutual funds and insurance products. Noah is also equipped with asset management services capabilities, managing its own fund of funds and real estate fund. With 775 relationship managers covers 60 cities in 91 branch offices as of September 30, 2014, Noah's network covers China's most economically developed regions where high net worth individuals are concentrated. Noah Hong Kong is a fully owned subsidiary serving the overseas investment needs of high net worth individuals and enterprises. For more information please visit the Company's website at <http://www.noahwm.com>.
